[Become a Project Coordinator](#)

[Improve processes and deliver operational excellence](#)

## Learning Path Assessment

Produce a 2500 words essay covering the module outcomes:

- Demonstrate a conceptual and critical understanding of theories, principles and practices of Project Coordination, (eg. Iron triangle, defining and planning) in leading a successful project.
- Critically evaluate the 3 project Key Drivers in project coordination using different scenarios (one for each key driver).
- Explain and analyze the different ways of task listing in project management, and their impact on the success (or failure) of the project.
- Question the concept and underlying principle of “The Critical Path” in coordinating a project.
- Analyze and explain the process of creating a Grant Chart. Why is it a critical step in Project Coordination?
- Demonstrate an understanding of risk management. Using an example, identify a risk (or risks), analyze and propose a set of solutions to reduce or eliminate those risks.

, *airport transfer, accommodation and taxes.*

Receive 5 ECTS credits in the following degrees:

- Bachelor in Business Administration (BBA)
- Master in Business Administration (MBA)

Cost CHF 99
